Evening	Joint activity		

Day 6 - BarCamp Mekong (optional public event)

This optional 'unconference' designed for interaction with local community. It can be appended at the end of workshop, as Day 6, or inserted in between, as Day 3 or Day 4.

BarCamp Mekong will be open for general public. Demo projects developed during Mekong ICT Camp workshops can be presented here to get feedbacks and also a chance for participants to practice public communication skills and expand their networks.
